

United States of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number ST01372SE

This certificate, issued to: JAMCO America, Inc.
1018 80th Street SW.
Everett, WA 98203

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A1NM
Make: Boeing
Model: 767-300 Series

Description of the Type Design Change: Install new seats and interior reconfiguration on 767-300 Series airplanes in accordance with JAMCO America, Inc., Master Drawing List IA-103MDL, Revision A, dated March 4, 2004, or later Federal Aviation Administration (FAA) approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft. This approved modification must be installed concurrently with Supplemental Type Certificate ST01624LA for the installation of Thales Avionics i4000 inflight entertainment system. A copy of this Certificate and JAMCO America, Inc., Master Drawing List IA-103MDL, Revision A, or later FAA approved revision, must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 13, 2003

Date of issuance: March 5, 2004

Date reissued

Date amended April 30, 2004

By direction of the Administrator
